

WINTER COMICS CAMPS

Happy Harbor hosts two 1-Day Drawn to Write camps during the winter. These classes are specialty classes on topics that we get requests for during our summer camps.

CREATE-A-CHARACTER : January 4, 2019
8:30am-4:00pm

This class will focus on the fundamentals of drawing characters, from anatomy and design to expressions and shape. No matter how weird or how normal the character you want to create, we will help you achieve the look and feel you want. A great class for comic and Manga artists alike!

STORY MODE : January 5, 2019
8:30am-4:00pm

This class will see you working in teams as we focus on how we lead a reader through a comic book using cover layouts, panel composition, scripting and mood building. This class is a must for those who want to master graphic storytelling.

All camps have a limit of 12 participants.
